SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF LOS ANGELES

**INSURANCE COMMISSIONER STEVE
POIZNER,**

Case No.

BS129209

PETITION FOR WRIT OF MANDATE

Petitioner,

v.

OFFICE OF ADMINISTRATIVE LAW,

Respondent,

**AMERICAN COUNCIL OF LIFE
INSURERS; AMERICAN INSURANCE
ASSOCIATION; ASSOCIATION OF
CALIFORNIA INSURANCE
COMPANIES; ASSOCIATION OF
CALIFORNIA LIFE AND HEALTH
INSURANCE COMPANIES and
PERSONAL INSURANCE FEDERATION
OF CALIFORNIA**

Real Parties In Interest.

Petitioner Insurance Commissioner Steve Poizner alleges:

INTRODUCTION

1) The Insurance Commissioner of California is required to ensure that assets in insurance companies' portfolios are financially sound. Financial soundness is essential for policyholders, ensuring that insurance companies will be able to pay their customers' claims. In recognition of this critical function, California law gives the Insurance Commissioner broad

11/15/10

1 discretion to act quickly and flexibly to safeguard insurer assets and the interests of policyholders.

2 2) In this matter, the Insurance Commissioner took decisive and quick action to
3 safeguard insurers' portfolios from risk arising out of investments in companies doing business
4 with the Iranian nuclear, defense, and energy sectors. Iran's pursuit of nuclear weapons, its
5 support of international terrorism, and its despotic rule not only render it unstable politically and
6 economically, but put at risk any company that does business with the Iranian nuclear, defense,
7 and energy sectors.

8 3) With assistance from experts in the field, the Commissioner evaluated thousands of
9 investments on a security-by-security basis. After months of study, the Commissioner issued a
10 list of 51 companies that are doing business with the Iranian nuclear, defense, and energy sectors,
11 and are subject to financial risk as a result of those dealings.

12 4) The Commissioner requested that all insurers doing business in California indicate
13 whether they will voluntarily agree not to invest in companies on the list in the future. The
14 Commissioner prepared a form for insurers to fill out and return indicating their willingness to
15 forgo investing in these companies in the future.

16 5) Pursuant to the Insurance Code and his direct authority to act, the Commissioner also
17 directed insurers to submit financial statements identifying their Iran-related holdings, and
18 directed that these holdings would be considered "non-admitted." Insurers may continue to hold
19 those investments in their portfolios, but for purposes of California financial statements, the assets
20 will not count toward the insurers' surplus. The action taken by the Commissioner is similar to
21 statutes passed by the California legislature and Congress to force companies to divest in Iranian
22 companies.

23 6) Almost all the 1,300 insurers admitted to do business in California responded to the
24 Commissioner's request for a response about future investments. The Commissioner has not
25 entered orders against any insurers in connection with Iran Investment matters.

26 7) Nonetheless, five trade associations of insurance companies petitioned the Office of
27 Administrative Law ("OAL") to declare the Commissioner's actions impermissible "underground
28 regulations."

1 8) Notwithstanding the fact that the actions taken by the Commissioner do not meet the
2 definition of a "regulation," and were simply actions taken by him in his authority to act pursuant
3 to the Insurance Code, OAL determined that the actions were invalid.

4 9) The Commissioner now challenges that decision by OAL.

5 **PARTIES**

6 10) Petitioner is the Insurance Commissioner of the State of California. As Insurance
7 Commissioner, he is the chief officer of the California Department of Insurance ("Department")
8 and controls and directs the Department.

9 11) Respondent Office of Administrative Law is an agency of the government of the
10 State of California charged with ensuring the state's regulations are clear, necessary, legally valid,
11 and available to the public. Among other responsibilities, OAL receives petitions challenging
12 agency actions as alleged underground regulations.

13 12) Petitioner is informed and believes that real party in interest the American Council of
14 Life Insurers is an insurance-industry trade organization.

15 13) Petitioner is informed and believes that real party in interest the American Insurance
16 Association is an insurance-industry trade organization.

17 14) Petitioner is informed and believes that real party in interest the Association of
18 California Insurance Companies is an insurance-industry trade organization.

19 15) Petitioner is informed and believes that real party in interest the Association of
20 California Life and Health Insurance Companies is an insurance-industry trade organization.

21 16) Petitioner is informed and believes that real party in interest the Personal Insurance
22 Federation is an insurance-industry trade organization.

23 **HISTORY OF COMMISSIONER POIZNER'S EFFORTS TO LIMIT RISKY**
24 **INVESTMENTS IN IRAN BY INSURANCE COMPANIES DOING BUSINESS IN**
25 **CALIFORNIA**

26 **A. Data Call**

27 17) In April 2009 or shortly thereafter, Commissioner Poizner commenced an effort to
28 monitor, evaluate, and take action with respect to insurance company investments in companies

1 doing business with Iran.

2 18) In June 2009, the Department announced that it was launching an effort to probe
3 insurance company investments for ties to Iran through a data call. In July 2009, the Department
4 issued the data call to approximately 1,300 insurers licensed to do business in California. The
5 data call requested information about insurer investments in the Government of Iran, in securities
6 denominated in the currency of Iran, and in companies doing business with the defense, nuclear,
7 energy, and banking sectors of the Iranian economy. The data call stated that the Department
8 would use the requested information to evaluate the magnitude of the insurer's Iran-related
9 holdings and whether those investments are sound. The due date for responses was
10 September 30, 2009.

11 19) Insurers began submitting responses as early as July 2009. By December 31, 2009,
12 virtually all of the 1,300 insurers licensed to do business in California had filed responses.

13 **B. The List of Companies Doing Business in Iran**

14 20) Based on information from the data call and input from outside consultants, on
15 December 2, 2009, the Commissioner announced he was creating a list of companies doing
16 business in the Iranian energy, nuclear, banking, and defense sectors.

17 21) Based on a company by company analysis, consultation with experts in the area of
18 Iranian investments by multinational companies, and a review of lists prepared by California,
19 Florida, and New York pension funds,¹ the Department developed a list of 50 companies doing
20 business with the Iranian nuclear, defense, and energy sectors.² The Department also determined
21 that companies on the list are subject to financial risk (referred to as "asymmetric risk") because
22 of their involvement with the Iranian nuclear, defense, and energy sectors. The asymmetric risk
23

24 ¹ The States of California, Florida, and New York have directed their public employees'
25 pension funds to divest from holdings in companies doing business with various sectors of the
26 Iranian economy. (See Cal. Gov. Code, § 7513.7; Fla. Stats., § 215.473; Office of N.Y. State
27 Comptroller, Nov. 14, 2007 press release.)

28 ² At the request of insurers, and given the difficulty of researching the issue, the
Department agreed not to include on the list companies doing business with the Iranian banking
sector and multinational banks doing business in Iran.

BI/EB/TT

1 is particularly acute in Iran because of the massive instability in its economic sectors caused by
2 the political situation.

3 22) In response to insurers' requests that the list be made public, on February 10, 2010,
4 the Department released the list of 50 companies doing business with the Iranian nuclear, defense,
5 and energy sectors. After further consideration and study, one additional company was added to
6 the list on April 16, 2010.

7 23) Following are three examples of companies on the list:

- 8 • Ulan-Ude Aviation Plant JSC is a Russian company that provides equipment to the
9 Iranian military. Ulan-Ude's military support of a terrorist regime with nuclear
10 weapons ambitions subjects Ulan-Ude to reputational and financial risk. If Iran fires
11 a weapon at another country and parts of the weapons are found that bear the label
12 "Ulan-Ude," the financial condition of Ulan-Ude could collapse.
- 13 • Royal Dutch Shell has worked with the Iranian regime in developing oil and gas
14 projects in the Persian Gulf. With the increased opprobrium Iran is coming under as a
15 result of sanctions legislation such as the Comprehensive Iran Sanctions,
16 Accountability, and Divestment Act of 2010 (22 U.S.C. §§ 8501 *et seq.*), companies
17 such as Royal Dutch Shell face reputational harm and financial risk for continued
18 support of the Iranian energy sector.
- 19 • ZiO-Podol'sk OAO is a Russian company that manufactures power machinery for
20 power plants, including nuclear power plants. Among the products developed by
21 ZiO-Podol'sk are heat-recovery steam generators for a nuclear power plant in Iran.
22 The ability of Iran to develop nuclear power is a substantial global threat. ZiO-
23 Podol'sk's collaboration with Iran to develop nuclear power plants presents financial
24 and reputational risk to ZiO-Podol'sk.

25 **C. The Department's Request that Insurers Voluntarily Agree Not to Make**
26 **Iran-Related Investments in the Future**

27 24) Given the acute financial risk from investments in companies on the list, the
28 Department requested that insurers licensed to do business in California voluntarily agree not to

1 invest in companies on the list in the future.

2 25) The Department directed that insurers notify the Department by April 2, 2010
3 whether they would agree to refrain from making future investments in companies on the list until
4 either (a) Iran is removed from the United States State Department's list of state sponsors of
5 terrorism or (b) the company and its affiliates cease doing business with Iran's nuclear, defense,
6 and energy sectors and the Department removes the company from the list.

7 26) The Department provided a form for insurers to fill out and send to the Department
8 indicating whether they agree to the requested moratorium.

9 27) More than 1,250 of the 1,300 insurers licensed in California returned the form or
10 responded with personalized letters. More than 1,000 insurers stated that they do not intend to
11 invest in listed companies in the future.

12 **D. Non-Admission of Iran-Related Assets**

13 28) To address the severe financial hazard posed by investments in companies on the list,
14 the Department directed insurers to submit financial statements identifying investments in
15 companies on the list. In addition, the Department directed insurers to report such investments in
16 "Column 2" of their Annual Statements. Insurers must file Annual Statements, in which they
17 publicly identify all investments. Column 2 is labeled "Nonadmitted Assets." The Department
18 advised that effective March 31, 2010, it will treat such investments as non-admitted. Insurers
19 may continue to hold Iran-related investments in their portfolios, but for purposes of their
20 California financial statements, the assets will not count toward the insurers' surplus.

21 29) Placement of insurers' Iran-related investments in Column 2 does not require insurers
22 to divest from those holdings. Nonetheless, some insurers voluntarily divested from companies
23 on the list. "Non-admission" of investments has not impaired any insurer's surplus to trigger any
24 action by the Department.

25 **E. The Petition and OAL Determination**

26 30) On March 29, 2010, five insurance-industry trade associations, the real parties in
27 interest here, filed with the OAL a "Petition for Determination Pursuant to California
28 Government Code Section 11340.5" ("OAL Petition"). The OAL Petition sought a determination

1 that the Commissioner's efforts to address Iran-related holdings in insurers' portfolios constitute
2 illegal "underground regulations" and are invalid.

3 31) In a letter dated May 27, 2010, OAL stated that it would consider the petition and
4 identified three specific alleged underground regulations that OAL would consider:

- 5 A. A statement in a letter dated February 10, 2010, which states: "Accordingly,
6 effective March 31, 2010, the Department will treat all investments by
7 insurers holding a certificate of authority to transact insurance in California
8 in companies on the List and affiliates owned 50% or more by companies on
9 the List as non-admitted on the insurer's financial statements. For all
10 financial statements filed with the Department for periods ending on or after
11 March 31, 2010, each insurer must report all of its investment holdings on
12 the List as not admitted assets."
- 13 B. A determination in the Department's letter of February 10, 2010, that
14 companies on the List referenced in A, above, are "subject to financial risk
15 as a result of doing business with the Iranian oil and natural gas, nuclear, and
16 defense sectors."
- 17 C. A document titled "Response Form" that requires insurers to agree or not to
18 agree by March 12, 2010, that they will refrain from investing in companies
19 on the List or affiliates owned 50% or more by companies on the List until
20 either (a) Iran is removed from the United States Department's list of state
21 sponsors of terrorism or (b) the company and its affiliates cease to do
22 business with Iran's oil and natural gas, nuclear, and defense sectors and is
23 removed from the List.

24 32) On July 27, 2010, the Department of Insurance filed a response to the OAL Petition.

25 33) On August 27, 2010, OAL received the insurers' Reply.

26 34) Petitioner is informed and believes that there was a public comment process
27 available, but no comments were received from the public on this matter.

28 35) OAL issued a determination regarding this matter on October 11, 2010, 2010 OAL
Determination No. 21 ("Determination").

36) In the Determination, OAL combined the three issues into two and determined that
each of the issues falls within the definition of "regulation" and should have been adopted
pursuant to the Administrative Procedure Act ("APA").

37) Specifically the two issues considered by OAL were the following:

- A. The rule, expressed in a letter dated February 10, 2010, stating that effective
March 31, 2010, the Department will treat all investments by insurers
holding a certificate of authority to transact insurance in California in
companies on the List (which is incorporated by reference in the letter) and
affiliates owned 50% or more by companies on the List, as non-admitted on

1 the insurer's financial statements in that they are subject to financial risk as a
2 result of doing business with the Iranian oil and natural gas, nuclear, and
3 defense sectors. It further states that for all financial statements filed with
4 the Department for periods ending on or after March 31, 2010, each insurer
is required to report all of its investment holdings in companies on the List
as not admitted assets.

- 5 B. A document titled "Response Form" that requires insurers to agree or not to
6 agree by March 12, 2010, that they will refrain from investing in companies
7 on the List or affiliates owned 50% or more by companies on the List until
8 either: (a) Iran is removed from the United States State Department's list of
state sponsors of terrorism, or (b) the company and its affiliates cease to do
business with Iran's oil and natural gas, nuclear, and defense sectors and is
removed from the List.

9 **CALIFORNIA LAW GOVERNING UNDERGROUND REGULATIONS**

- 10 38) The APA defines "regulation" as:

11 "Regulation" means every rule, regulation, order, or standard of general
12 application or the amendment, supplement, or revision of any rule, regulation,
13 order, or standard adopted by any state agency to implement, interpret, or
make specific the law enforced or administered by it, or to govern its
procedure. [Gov. Code § 11342.600.]

- 14 39) As the Supreme Court elaborated in *Tidewater Marine Western, Inc. v. Bradshaw*
15 (1996) 14 Cal.4th 557, 571 [citations omitted]:

16 A regulation subject to the APA thus has two principal identifying
17 characteristics. First, the agency must intend its rule to apply generally,
18 rather than in a specific case. The rule need not, however, apply universally;
19 a rule applies generally so long as it declares how a certain class of cases will
20 be decided. Second, a rule must "implement, interpret, or make specific the
law enforced or administered by [the agency], or . . . govern [the agency's]
procedure."

- 21 40) Government Code section 11342.600 defines "regulation" as "every rule, regulation,
22 order, or standard of general application or the amendment, supplement, or revision of any rule,
23 regulation, order, or standard adopted by any state agency to implement, interpret, or make
24 specific the law enforced or administered by it, or to govern its procedure." Any regulation
25 adopted by a state agency through its exercise of quasi-legislative power delegated to it by statute
26 to implement, interpret, or make specific the law enforced or administered by it, or to govern its
27 procedure, is subject to the APA unless a statute expressly exempts the regulation from APA
28 review. (Gov. Code, §§ 11340.5, 11346.)

1 41) Government Code section 11340.5, subdivision (a), provides:

2 No state agency shall issue, utilize, enforce, or attempt to enforce any
3 guidelines, criterion, bulletin, manual, instruction, order, standard of general
4 application, or other rule, which is a regulation as defined in [Government
5 Code] Section 11342.600, unless the guideline, criterion, bulletin, manual,
instruction, order, standard of general application, or other rule has been
adopted as a regulation and filed with the Secretary of State pursuant to [the
APA].

6 42) Government Code section 11346, subdivision (a) states:

7 It is the purpose of this chapter to establish basic minimum procedural
8 requirements for the adoption, amendment, or repeal of administrative
9 regulations. Except as provided in Section 11346.1, the provisions of this
10 chapter are applicable to the exercise of any quasi-legislative power conferred
11 by any statute heretofore or hereafter enacted, but nothing in this chapter
repeals or diminishes additional requirements imposed by any statute. This
chapter shall not be superseded or modified by any subsequent legislation
except to the extent that the legislation shall do so expressly.

12 43) When an agency issues, utilizes, enforces, or attempts to enforce in violation of
13 section 11340.5, it creates an underground regulation as defined in California Code of
14 Regulations, title 1, section 250, subdivision (a):

15 "Underground regulation" means any guideline, criterion, bulletin, manual,
16 instruction, order, standard of general application, or other rule, including a
17 rule governing a state agency procedure, that is a regulation as defined in
18 Section 11342.600 of the Government Code, but has not been adopted as a
regulation and filed with the Secretary of State pursuant to the APA and is not
subject to an express statutory exemption from adoptions pursuant to the
APA.

19 44) OAL may issue a determination as to whether or not an agency has issued, utilized,
20 enforced, or attempted to enforce a rule that meets the definition of "regulation" as defined in
21 section 11342.600 and should have been adopted pursuant to the APA. (Gov. Code, § 11340.5.)
22 An OAL determination that an agency has issued, utilized, enforced, or attempted to enforce an
23 underground regulation is entitled to "due deference" in any subsequent litigation of the issue
24 pursuant to *Grier v. Kizer* (1990) 219 Cal.App.3d 422.

25 **CAUSES OF ACTION**

26 45) Petitioner Commissioner Poizner has no other plain, speedy, or adequate remedy at
27 law.

Plaintiff must file this cover sheet with the first paper filed in the action or proceeding (except small claims cases or cases filed under the Probate Code, Family Code, or Welfare and Institutions Code). (Cal. Rules of Court, rule 3.220.) Failure to file may result in sanctions.
File this cover sheet in addition to any cover sheet required by local court rule.
If this case is complex under rule 3.400 et seq. of the California Rules of Court, you must serve a copy of this cover sheet on all other parties to the action or proceeding.
Unless this is a collections case under rule 3.740 or a complex case, this cover sheet will be used for statistical purposes only.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
